JOB ANNOUNCEMENT

Position title: Finance Officer
Responsibility level: Grade 5
Report to: Finance Coordinator
Duty station: Yangon
No of Persons: One

Background

LWF proactively works with partners to address displacement, poverty, and injustice, including promotion of gender equality and climate resilience

The Lutheran World Federation (LWF) is an international non-governmental organization serving the people of Myanmar since 2008 and Lao PDR since 2012. We are a rights-based humanitarian and development organization. Therefore, at the centre of everything we do are the people involved in and affected by our work: internally displaced persons, returnees, host communities, remote ethnic minorities, and marginalized populations. LWF engages with and supports duty-bearers while empowering partner individuals, households, and community development organizations to claim their rights and become more resilient. Within the LWF Strategy 2019-2024, our work spans the realms of humanitarian assistance, recovery, and long-term development, building upon three interrelated programmatic areas: Livelihoods; Quality services; and Protection and social cohesion.

Publicity must explain how the rights-based empowerment process is implemented and how it facilitates individuals and communities to impart transformational and long-term changes in their lives. LWF's programming seeks to highlight the whole family and the equal role of women and men in decision-making processes. Publicity outputs highlight partnership among donors, Act Alliance members, duty-bearers, communities, and families for the betterment of humanity. Outputs are necessary for donor accountability, resource mobilization, advocacy, capacity building, giving community members a voice, and for demonstrating social engagement among disparate ethnic groups to advance peace building efforts.
